Proof of Delivery

Driver: <<[Driver]>>

TimeStamp	Invoice	Image
<<Start.[Ref ID].[TimeStamp]>>	<<[Invoice No.]>>	<<[Proof of Delivery_Image]>><<End>>

Error 1 : 'Handle new Proof of Delivery record' task 'Send an email' Body template.

Expression '[PoD_Data]' is invalid due to: Unable to find column 'PoD_Data'.

Error 2 : 'Handle new Proof of Delivery record' task 'Send an email' Body template. Start expression '[PoD_Data]' should generate a List of Ref values. Please verify that it generates a List and that the contents of the List are Ref values. Ref values should come from the 'Key' column of the referenced table.
